# Ready to Launch in Australia

“My jobseeker Vana\* was previously in a medical role and was very demotivated, but after she attended the refugee program with *Pure Insights* her mindset completely changed and she would come to the site and say, ‘Michelle, today is going to be my shot!’ Vana was suddenly open to many different jobs and managed to find a role at *Tip Top*. She is due to qualify for a 12 week Job Outcome next week.
