DIRECTORS' REPORT

For the Year Ended 30 June 2019

The directors present their report, together with the financial statements of National Employment Services Association Limited, being the Group (NESA) and its controlled entity, for the financial year ended 30 June 2019.

1. GENERAL INFORMATION

Directors

The names of the directors in office at any time during, or since the end of, the year are:

NAMES	APPOINTED / RESIGNED / RETIRED / TERM COMPLETED
Rowena McNally	Appointed: 16 February 2016
Matthew Little	Appointed: 21 November 2014
John Perry OAM	Appointed: 4 August 2011
Nicole Dwyer	Appointed: 18 November 2015
Anthony Steel	Appointed: 17 November 2016
Rebecca Nicholls	Appointed: 17 November 2016
Renae Lowry	Appointed: 17 November 2016

Directors have been in office since the start of the financial year to the date of this report unless otherwise stated.

SHORT TERM OBJECTIVES

The Group's short term objectives are:

- ▶ To lead and support the sector through employment services policy and programme reforms
- ▶ To improve the capability and best practice of the sector through the delivery of a comprehensive suite of professional development and industry support services
- ▶ To provide capacity building and support for continuous improvement to the sector

LONG TERM OBJECTIVES

The Group's long term objectives are:

- ▶ To be the peak body for the employment services sector
- ▶ To lead capacity building and a best practice focus in the employment services sector
- ▶ To promote and expand the global potential of employment services

DIRECTORS' REPORT

For the Year Ended 30 June 2019

STRATEGY FOR ACHIEVING THE OBJECTIVES

To achieve these objectives, the company has adopted the following strategies:

- ▶ Play a strong role in shaping and developing employment services policy, programmes and practices
- ▶ Lead best practice and develop responsive quality products that meet the sector's needs
- ▶ Position the organisation to build on its advocacy and member services
- ▶ Facilitate partnerships, connections and strategic opportunities to members entering into the global market

PERFORMANCE MEASURES

The group measures its performance in a number of ways using both financial reports and non-financial indicators. Such performance measures are produced by executive management and reported to the Board at each Board meeting, at least every two months. Such performance measures include Financial Reports, Membership numbers, Professional Development activities and Staffing indicators.

INFORMATION ON DIRECTORS

The names of each person who has been a director during the year and to the date of this report are:

ROWENA McNALLY	APPOINTED: 16 FEBRUARY 2016
Qualifications	Bachelor of Law, Fellow, Australian Institute of Company Directors, Fellow, Institute of Managers and Leaders, Fellow, Institute of Arbitrators and Mediators Australia (now Resolution Institute)
Special Responsibilities	Independent Chair of NESA Chair of NESA Succession and Remuneration Committee Member of NESA Audit and Risk Management Committee
Experience	Rowena has over 20 years of experience as a board chair and director. She has served as a past Chair of Mount Isa Water Board, Catholic Health Australia, the Institute of Arbitrators and Mediators Australia and Cerebral Palsy League Queensland. Rowena is currently a Director of Open Minds, Power and Water Corporation, Indigenous Essential Services and the Institute for Progress and Deputy Chair of the Mount Isa Rodeo. She has also served on/chaired numerous Board committees.
MATTHEW LITTLE	APPOINTED: 21 NOVEMBER 2014
Qualifications	Graduate Diploma Business Administration
Special Responsibilities	Member of NESA Succession and Remuneration Committee Member of NESA Audit and Risk Management Committee
Experience	Matthew is the CEO of Australia's only national network of community-based and not-for-profit organisations, CoAct. Matthew's experience spans over a decade's worth of operational, management and governance across employment and disability services.

DIRECTORS' REPORT

For the Year Ended 30 June 2019

JOHN PERRY OAM	APPOINTED: 4 AUGUST 2011
Special Responsibilities	Chair of NESA Audit and Risk Management Committee
Experience	<p>John has many years experience working in the employment services sector having established jobactive, ParentsNext and Disability Employment Services for a number of providers. He is a Director of a number of companies operating in the employment, education and training industries, and has a long history in developing and managing successful social enterprises. John also consults to the construction industry on activating their corporate social responsibility agenda.</p> <p>He was awarded an Order of Australia Medal for services to community organisations that provide services and outcomes to disadvantaged people.</p>
NICOLE DWYER	APPOINTED: 18 NOVEMBER 2015
Qualifications	<p>Bachelor of Science (Psychology) Diploma in Education (Secondary) Master of Social Science Master of Business Administration</p>
Special Responsibilities	<p>Member of NESA Audit and Risk Management Committee Member of NESA Succession and Remuneration Committee</p>
Experience	Nicole has over 20 years of experience either working in or consulting to employment services, including 7 years as CEO of Workskil Australia Inc
ANTHONY STEEL	APPOINTED: 17 NOVEMBER 2016
Qualifications	<p>Bachelor of Arts Master of Education Diploma – Education</p>
Special Responsibilities	<p>Member of NESA Audit and Risk Management Committee Member of NESA Succession and Remuneration Committee</p>
Experience	Anthony has 21 years of experience working in employment services, including 16 years experience in Senior/Executive Management
REBECCA NICHOLLS	APPOINTED: 17 NOVEMBER 2016
Qualifications	Bachelor of Social Sciences
Special Responsibilities	<p>Member of NESA Audit and Risk Management Committee Member of NESA Succession and Remuneration Committee</p>
Experience	Rebecca has 18 years of experience working in government funded employment services, 7 years experience in Occupational Rehabilitation and 3 years experience in private recruitment.
RENAE LOWRY	APPOINTED: 17 NOVEMBER 2016
Qualifications	Bachelor of Arts
Special Responsibilities	Member of NESA Audit and Risk Management Committee
Experience	Rena has 22 years of experience working in employment services, including 16 years experience in Senior/Executive Management

DIRECTORS' REPORT

For the Year Ended 30 June 2019

Directors have been in office since the start of the financial year to the date of this report unless otherwise stated.

MEETINGS OF DIRECTORS

During the financial year, six meetings of directors were held. Attendances by each director during the year were as follows:

	DIRECTORS' MEETINGS	
	NUMBER ELIGIBLE TO ATTEND	NUMBER ATTENDED
Rowena McNally	6	6
Matthew Little	6	6
John Perry	6	5
Nicole Dwyer	6	6
Anthony Steel	6	6
Rebecca Nicholls	6	5
Renae Lowry	6	6

AUDITOR'S INDEPENDENCE DECLARATION

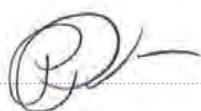

The lead auditor's independence declaration in accordance with section 307C of the *Corporations Act 2001*, for the year ended 30 June 2019 has been received and can be found on page 5 of the financial report.

Signed in accordance with a resolution of the Board of Directors:

Director:

Director:

Dated: 25 October 2019

AUDITORS INDEPENDENCE DECLARATION

National Employment Services Association Limited and Controlled Entity

ABN: 69 079 065 428

Auditors Independence Declaration to the Directors of National Employment Services Association Limited and Controlled Entity

I declare that, to the best of my knowledge and belief, during the year ended 30 June 2019, there have been:

- (i) No contraventions of the auditor independence requirements as set out in the *Corporations Act 2001* in relation to the audit; and
- (ii) No contraventions of any applicable code of professional conduct in relation to the audit.

CONSOLIDATED NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended 30 June 2019

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Preparation

The financial report includes the consolidated financial statement and notes of the National Employment Services Association Limited and Controlled Entity (the Group). These financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and the *Corporations Act 2001*. The Group is a not-for-profit entity for the purpose of preparing the financial statements.

Australian Accounting Standards set out accounting policies that the Australian Accounting Standards Board has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of the financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

(a) Principles of Consolidation

The Group financial statements consolidate those of the parent group and its subsidiary as of 30 June 2019. The parent controls a subsidiary if it is exposed, or has rights, to variable returns from its involvement with the subsidiary and has the ability to affect those returns through its power over the subsidiary. The subsidiary has a reporting date of 30 June. A list of controlled entities is contained in Note 16 of the financial statements.

All transactions and balances between Group companies are eliminated on consolidation, including unrealised gains and losses on transactions between Group companies. Where unrealised losses on intra-group asset sales are reversed on consolidation, the underlying asset is also tested for impairment from a Group perspective. Amounts reported in the financial statements of the subsidiary have been adjusted where necessary to ensure consistency with the accounting policies adopted by the Group.

Profit and loss and other comprehensive income of the subsidiary acquired or disposed of during the year are recognised from the effective date of acquisition, or up to the effective date of disposal, as applicable.

(b) Comparative Amounts

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

(c) Income Tax

The charge for current income tax expenses is based on the surplus for the year adjusted for any non-assessable or disallowed items. It is calculated using tax rates that have been enacted or are substantively enacted by the balance date.

Deferred tax is accounted for using the liability method in respect of the temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. No deferred income tax will be recognised from the initial recognition of an asset or liability, excluding a business combination, where there is no effect on accounting or taxable profit or loss.

NESA Solutions Ltd, a wholly owned subsidiary of National Employment Services Association Limited is registered with the Australian Charities and Not-for-profit Commission. No provision for income tax has been raised for NESA Solutions Ltd as the subsidiary is exempt from income tax under Div 50 of the Income Tax Assessment Act 1997.

CONSOLIDATED NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended 30 June 2019

Deferred income tax assets are recognised to the extent that it is probable that future tax profits will be available against which deductible temporary differences can be utilised.

The amount of benefits brought to account or which may be realised in the future is based on the assumption that no adverse change will occur in income taxation legislation and the anticipation that the Group will derive sufficient future assessable income to enable the benefit to be realised and comply with the conditions of deductibility imposed by the law.

Because of principle of mutuality, only income arising from non-member activities is subject to income tax. The parent is able to identify all non-member income.

(d) Leases

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the assets are transferred (title may or may not eventually be transferred) to the Group, are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Lease payments for operating leases, where substantially all of the risks and benefits remain with the lessor, are charged as expenses on a straight-line basis over the life of the lease term.

Lease incentives under operating leases are recognised as a liability and amortised on a straight-line basis over the life of the lease term.

(e) Revenue and other income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Group and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue from the rendering of services is recognised upon delivery of the service to customers and members.

Member subscription year is 1 July to 30 June. Subscriptions are payable in advance. Only those subscriptions that are attributable to the current financial year are recognised as revenue. Subscription receipts relating to periods beyond the current financial year are shown in the Statement of Financial Position as Other Liabilities.

Non-reciprocal grant revenue is recognised in profit or loss when the Group obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the Group and the amount of the grant can be measured reliably.

If conditions are attached to the grant which must be satisfied before it is eligible to receive the contribution, the recognition of the grant as revenue will be deferred until those conditions are satisfied.

When grant revenue is received whereby the Group incurs an obligation to deliver economic value directly back to the contributor, this is considered a reciprocal transaction and the grant revenue is recognised in the statement of financial position as a liability until the service has been delivered to the contributor, otherwise the grant is recognised as income on receipt.

Interest revenue is recognised using the effective interest rate method, which, for floating rate financial assets, is the rate inherent in the instrument.

All revenue is stated net of the amount of goods and services tax (GST).

CONSOLIDATED NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended 30 June 2019

(f) Goods and Services Tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST. The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the consolidated statement of financial position.

Cash flows in the consolidated statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

(g) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost less, where applicable, any accumulated depreciation and impairment loss.

Plant and equipment

Plant and equipment are measured using the cost model and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses.

In the event the carrying amount of plant and equipment is greater than its estimated recoverable amount, the carrying amount is written down immediately to its estimated recoverable amount and impairment losses are recognised in the profit or loss. A formal assessment of recoverable amount is made when impairment indicators are present (refer to impairment note for details).

Depreciation

The depreciable amount of all plant and equipment is depreciated on a straight-line method over the asset's useful life from the date that management determine that the asset is available for use.

The depreciation rates used for each class of depreciable asset are shown below:

FIXED ASSET CLASS	DEPRECIATION RATE
Office Equipment	25% – 50%

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are recognised in profit or loss in the period in which they arise.

CONSOLIDATED NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended 30 June 2019

(h) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and term deposits, together with other short-term highly liquid investments that are readily convertible into known amounts of cash, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the consolidated statement of financial position.

(i) Employee benefits

Short-term employee benefits

Short-term employee benefits are benefits, other than termination benefits, that are expected to be settled wholly within twelve (12) months after the end of the period in which the employees render the related service. Provision is made for short-term employee benefits and are measured at the amounts expected to be paid when the liabilities are settled.

Other long-term employee benefits

The Group's liabilities for annual leave and long service leave are included in other long term benefits as they are not expected to be settled wholly within twelve (12) months after the end of the period in which the employees render the related service. They are measured at the present value of the expected future payments to be made to employees.

Employee benefits expected to be settled more than twelve months after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements. Cashflows are discounted using market yields on corporate bonds with terms to maturity that match the expected timing of cashflows. Changes in the measurement of the liability are recognised in profit or loss.

CONSOLIDATED NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended 30 June 2019

(j) Financial instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the company becomes a party to the contractual provisions of the financial instrument, and are measured initially at fair value adjusted by transactions costs, except for those carried at fair value through profit or loss, which are measured initially at fair value. Subsequent measurement of financial assets and financial liabilities are described below.

Financial assets are derecognised when the contractual rights to the cash flows from the financial asset expire, or when the financial asset and all substantial risks and rewards are transferred. A financial liability is derecognised when it is extinguished, discharged, cancelled or expires.

Classification and subsequent measurement of financial assets

Except for those trade receivables that do not contain a significant financing component and are measured at the transaction price, all financial assets are initially measured at fair value adjusted for transaction costs (where applicable)

For the purpose of subsequent measurement, financial assets other than those designated and effective as hedging instruments are classified into the following categories upon initial recognition:

- ▶ amortised cost
- ▶ fair value through profit or loss (FVPL)

All income and expenses relating to financial assets that are recognised in profit or loss are presented within finance costs, finance income or other financial items, except for impairment of trade receivables which is presented within other expenses.

Financial assets at amortised cost

Financial assets are measured at amortised cost if the assets meet the following conditions (and are not designated as FVPL):

- ▶ they are held within a business model whose objective is to hold the financial assets and collect its contractual cash flows
- ▶ the contractual terms of the financial assets give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding

These are measured at amortised cost using the effective interest method.

Financial assets at fair value through profit or loss (FVPL)

Financial assets that are held within a different business model other than 'hold to collect' or 'hold to collect and sell' are categorised at fair value through profit and loss. Further, irrespective of business model financial assets whose contractual cash flows are not solely payments of principal and interest are accounted for at FVPL. All derivative financial instruments fall into this category, except for those designated and effective as hedging instruments, for which the hedge accounting requirements apply.

Classification and measurement of financial liabilities

The company's financial liabilities include trade and other payables.

Financial liabilities are initially measured at fair value, and, where applicable, adjusted for transaction costs unless the company designated a financial liability at fair value through profit or loss. Subsequently, financial liabilities are measured at amortised cost using the effective interest method except for derivatives and financial liabilities designated at FVPL, which are carried subsequently at fair value with gains or losses recognised in profit or loss (other than derivative financial instruments that are designated and effective as hedging instruments).

CONSOLIDATED NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended 30 June 2019

(k) Critical accounting estimates and judgments

The directors evaluate estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Group.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The key estimates and assumptions that have a significant risk of causing material adjustment to the carrying amounts of certain assets and liabilities within the next annual reporting period are:

Income Tax calculation based on principle of mutuality

The Group determines its liability from income tax based on the principle of mutuality. The Group also accounts for income tax using balance sheet method of tax-effect accounting. The principle of mutuality requires that the Group make estimates as to the allocation of expenses among three broad categories of the income generated being, income from members, income from mixed sources and interest income.

Project income revenue recognition

The Group has been contracted to deliver the Remote School Attendance Strategy (RSAS) - Workforce Development Strategy Project and the Mental Health First Aid (MHFA) Training Project. With reference to Note 1(e), the Group has recognised revenue up to the amount which is reimbursable from the Commonwealth of Australia. Project income received from the Department which were unused for the program is treated as deferred income in liabilities as the Group has an obligation to provide further services or to return the unspent project income.

(l) Going concern

During the year, the Group suffered a deficit of \$124,932. Net assets as at balance date was \$70,937. The Group is implementing efficiency measures in their costs and looking at increasing their income in the next financial year so the board has determined that the financial report for the Group be prepared as an on-going concern.

11. PROVISIONS

	CONSOLIDATED	
	2019	2018
NOTE	\$	\$
EMPLOYEE BENEFITS		
Current	235,054	271,782
Non-current	22,297	11,576
	257,351	283,358

Provision for Employee Benefits

Provision for employee benefits represents amounts accrued for annual leave and long service leave.

The current portion for this provision includes the total amount accrued for annual leave entitlements and the amounts accrued for long service leave entitlements that have vested due to employees having completed the required period of service. Based on past experience, the Group does not expect the full amount of annual leave or long service leave balances classified as current liabilities to be settled within the next 12 months. However, these amounts must be classified as current liabilities since the Group does not have an unconditional right to defer the settlement of these amounts in the event employees wish to use their leave entitlement.

The non-current portion for this provision includes amounts accrued for long service leave entitlements that have not yet vested in relation to those employees who have not yet completed the required period of service.

12. OTHER FINANCIAL LIABILITIES

CURRENT

Unearned income - project income	4,750,921	4,939,664
Other income in advance	475,174	405,446

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF NATIONAL EMPLOYMENT SERVICES ASSOCIATION LIMITED AND CONTROLLED ENTITY

National Employment Services Association Limited and Controlled Entity

ABN: 69 079 065 428

Independent Audit Report to the members of National Employment Services Association Limited and Controlled Entity

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of National Employment Services Association Limited and Controlled Entity (the Group), which comprises the consolidated statement of financial position as at 30 June 2019, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of the company is in accordance with the *Corporations Act 2001*, including:

- (i) giving a true and fair view of the company's financial position as at 30 June 2019 and of its financial performance for the year ended; and
- (ii) complying with Australian Accounting Standards - Reduced Disclosure Regime and the Corporations Regulations 2001.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Group, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Directors for the Financial Report

The directors of the Group are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF NATIONAL EMPLOYMENT SERVICES ASSOCIATION LIMITED AND CONTROLLED ENTITY

National Employment Services Association Limited and Controlled Entity

ABN: 69 079 065 428

Independent Audit Report to the members of National Employment Services Association Limited and Controlled Entity

In preparing the financial report, the directors are responsible for assessing the the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies use and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.

Independent Audit Report to the members of National Employment Services Association Limited and Controlled Entity

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a matter that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
